Baker McKenzie Luxembourg Celebrates its 15th Anniversary!

Baker McKenzie Luxembourg is proud to celebrate its 15th anniversary, marking a significant milestone of growth, excellence and unwavering commitment to its clients and the Luxembourg community.

Founded in 2010, the Luxembourg office has grown from a small team to a full-service practice, now recognized as a key player in the Luxembourg legal market. The office currently includes 11 partners, 13 counsels and a large team of lawyers and tax advisers.

The Firm primarily advises its clients on cross-border M&A deals, international financing and investment funds transactions and provides strategic and tax cross-border advice. Its ability to combine local and international expertise enables it to create tailor-made solutions for its clients.

The office boasts a team of top-tier lawyers with expertise spanning corporate M&A, tax and transfer pricing, funds and asset management, dispute resolution, banking and finance, real estate, employment law, and more. From the outset, Baker McKenzie Luxembourg’s vision was to establish a practice that embodies Baker McKenzie’s global spirit while remaining firmly rooted in Luxembourg’s local landscape.

The 15th anniversary celebration is an occasion to pay tribute to these roots and its proud growth. This milestone is an opportunity to reflect on its beginnings and celebrate the robust firm the team has built — growing alongside Luxembourg's economy and supporting economic actors to carrying out increasingly sophisticated cross-border transactions in Luxembourg.

As part of the 15th-anniversary celebrations, Baker McKenzie Luxembourg has already hosted in July an event to bring together current team members and alumni. This will be followed in September by a larger client event, designed to celebrate the vibrant community and honor the contributions of those who have shaped the Firm's journey — past and present. Looking ahead, Baker McKenzie Luxembourg remains firmly committed to delivering exceptional client service, fostering innovation in the tax and legal sector, and nurturing talent and promoting a culture of collaboration.
