

# Quintet named Best Private Bank in Europe

**First Luxembourg-headquartered firm to receive such recognition in 35-year history of Private Banker International Global Wealth Awards.**

Quintet Private Bank, founded in Luxembourg in 1949, has been named the Best Private Bank in Europe at the 2025 Private Banker International Global Wealth Awards, which took place on October 9 in Singapore.

This marks the first time in the 35-year history of these awards that a firm headquartered in the Grand Duchy has received such recognition.

In selecting Quintet, Private Banker International highlighted the firm's sustained profitability, unique heritage and innovative investment solutions, developed in partnership with BlackRock. Private Banker International, established in 1987 and headquartered in London, recognized Quintet's role in shaping the future of wealth management and "leading the way in European private banking."

"This distinction reflects the commitment, collaborative spirit and client focus of our colleagues," said Quintet Group CEO Chris Allen. "While no award can fully capture who we are or everything we still aspire to achieve, such recognition further strengthens our resolve to deliver outstanding advice and service to our clients, across market cycles and generations."

Quintet, which operates in over 30 cities in Europe and the UK, was named Best Private Bank in Luxembourg earlier this year by Euromoney. The firm also earned the same accolade from The Banker and Professional Wealth Management at the 2024 Global Private Banking Awards.
